

RESPONSE TO THE NOTICE TO FILE CORRECTED APPLICATION PAPER AND
AMENDMENT UNDER 37 C.F.R. §1.312

Attorney Docket No.: Q96675

Application No.: 10/591,397

AMENDMENTS TO THE SPECIFICATION

Please insert the following paragraph after the forth paragraph on page 14 of the specification.

FIG. 6 is a graph showing the amount of oil trapped in a trapping device located downstream of an oil separation system as a function of the number of hours of the trial, according to Example 3.
